**Please include: Why you need funding to support your community project? Briefly describe the project or purpose for which you require a grant. How will it benefit the community or residents of Burnham and Highbridge? Is it for the benefit of your members, or the wider community? Is it aimed at a particular group within the community:** The Sea Cadet unit in Burnham is well respected within our local community and with this in mind, we wish to join with the community in

celebrating our 50th anniversary. We will be doing this by hosting an open day in October where members of the community will be able to see behind the scenes of our unit and enjoy our cadets displays and photographs of past and present cadets.

Advertising and fliers will be distributed within the area welcoming everyone to come along and enjoy our celebrations.

**How will they benefit:** Any members of the community who attend the celebration will see an insight into the workings of the cadet unit and the activities and learning on offer to our young people. They will also be able to have a tour of the building and see our cadets in action.

Our cadets are well respected within Burnham but often only seen in official situations eg. parades. This will give the people the chance to see a more informal cadet experience and background education available.
