

**Burnham-on-Sea and Highbridge Town Council  
Strategic Plan  
2023-2027**

## **Introduction**

This Strategic plan takes as its starting point documents produced by the Town Council in recent years. The Neighbourhood Plan was adopted in 2018. The Burnham Evolution Bid was partially successful and contains ideas that can be taken forward this year by the Burnham High St Task Force Group utilising the £50,000 put aside for this purpose by Sedgemoor DC. The Highbridge Regeneration Bid to the Levelling Up Fund, written by Sedgemoor District Council, was sadly unsuccessful in 2022 but was part of the wider Regeneration Framework for the development of Highbridge which was adopted by Sedgemoor DC as a planning document and will be taken up by Somerset Council.

In addition, it takes note of relevant SDC documents such as the Local Plan and supporting background material where these are relevant to the two towns. However, it is not intended that this plan should be limited to what is in these documents but represents a 4-year programme of actions to be taken by the Town Council, which as well as taking forward ideas in these documents, also include others which have been discussed.

Local Government is undergoing change as we move towards a unitary authority, the new Somerset Council. It is still not clear how this will impact on the work of the Town Council. This Town Council will continue to put itself at the heart of our community and respond to the needs of our residents. We will continue to focus our work around the Vision and Mission Statement.
