1- General

1. 1. These financial regulations govern the conduct of financial management by the Council and may only be amended or varied by resolution of the Council. Financial regulations are one of the Council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the Council's standing orders¹ and any individual financial regulations relating to contracts.
1. 2. The Council is responsible in law for ensuring that its financial management is adequate and effective and that the Council **has a sound system of internal control which delivers effective financial, operational and risk management.**
1. 3. The Council's accounting control systems must include measures:
 - for the timely production of accounts;
 - that provide for the safe and efficient safeguarding of public money;
 - to prevent and detect inaccuracy and fraud; and
 - identifying the duties of officers.
1. 4. These financial regulations demonstrate how the Council meets these responsibilities and requirements.
1. 5. **At least once a year, prior to approving the Annual Governance Statement, the Council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.**
1. 6. Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.
1. 7. Members of council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute and this would be a Code of Conduct issue.
1. 8. The Responsible Financial Officer (RFO) holds a statutory office to be appointed by The Council.
1. 9. The RFO;
 - acts under the policy direction of the Council;
 - administers The Council's financial affairs in accordance with all Acts, Regulations and proper practices;
 - determines on behalf of The Council its accounting records and accounting control systems;
 - ensures the accounting control systems are observed;
 - maintains the accounting records of the Council up to date in accordance with proper practices;

1.11. **The accounting records determined by the RFO shall in particular contain:**

- **entries from day to day of all sums of money received and expended by The Council and the matters to which the income and expenditure or receipts and payments account relate;**
- **a record of the assets and liabilities of the Council;** and
- wherever relevant, a record of the Council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.

1. 12. **The accounting control systems determined by the RFO shall include:**
